Pastor Ruben Vega

Sent by: Iglesia Bautista Monte Sion

Ruben was our first Mexican missionary to serve on African soil. He served for 7 months in Ivory Coast until civil war broke out, and he fled for his life to Ghana. He sought refuge in Calvary Baptist Church of Techiman and gave his heart to be used of God in our children's ministries. Ruben served in our church for just over three years and was a tremendous blessing. Under his ministry, the children ministry flourished.

This year Ruben has been home in Mexico visiting his supporting churches. Lord willing, when he returns to Ghana early in 2007, he will join New Life Baptist Church's missions work in Kasoa, just outside of Accra.

Pastor Peter Addai

Pastor Addai is a missionary sent out from and supported by Calvary Baptist Church in Techiman. Peter is not a MABMI missionary, but he does receive some small financial support from the U.S. Even though the church in **Bolgatanga** just started in August, God has been blessing them with 26 adults in their morning service.
