Iglesia Bautista Palabra Viva
Mexico City, Mexico Psalm 60:4

This past year has been full of blessings. The Lord has been so good to us and has allowed us to travel all over Mexico visiting churches in order to present our ministry to them. We have

Obeying the Great Commission at home

visited 108 churches from the north all the way to the south of Mexico, and we've enjoyed sweet times with many. God has taken good care of us during our traveling on the roads, and He has provided for every single need we've had. We've seen the Lord's hand moving people's hearts so they can take us on as their missionaries. In some of our supporting churches, we are their first missionaries, and we feel very happy to know that we are taking part of their first effort of having fruit on the other side of the world. Foreign missions is a new issue for many churches here in México.

Going to Ghana

However, the Lord keeps opening doors, and our support has increased to 70%. Our prayer is to be in Ghana this year. Please pray with us as we continue visiting churches. During our deputation, some young people have surrendered their lives to go as missionaries to Africa and three of them specifically to Ghana. The burden in our hearts for Ghana and North Africa is growing stronger. We please ask you to pray for our passports and visas, as well as for our plane tickets. We are happy that the time for our departure is close. Continue praying

for us. May the Lord bless you. By His Cause,
Miguel, Nora, Natanael and Rebeca Triano.
