

# CBC OF AHANSUA

Currently we are trying to reach out to both Aniteafi and Kuntunso, two nearby villages, but we are faced with two major problems. First, the Moslem parents are now preventing their children from attending the church, and secondly, when these village children reach 7th grade they leave the villages to attend Senior High Schools in the city and never return.

We do praise the Lord for the recent conversion of a Moslem woman who is also willing to be baptized. We hope that her testimony will help us reach out to the other Moslems in our village.

By the grace of God, Rev. Stephen Adama, a seasoned pastor from the north will be coming to join us in the work here in Ahansua early in 2008. Please pray with us as we look to God for the finances to support Pastor Stephen and his family as they join us in the work. Thank you for your faithful support.

# CBC OF KROBO

By the grace of God the church in Krobo was born on 5th September 2005. It is situated between two villages and we are trying to reach out to these villages. We have been able to baptized 50 people and our regular attendance on Sunday morning is around 100 people. By the grace of God two men surrendered to go to Bible school during this year's Faith Promise Conference.

Our Sunday offerings are around \$13 dollars weekly in the general fund and \$12 dollars weekly for faith promise. We are currently supporting both Pastor Peter Addai in Bolgatanga, and Pastor Joe Gueh going to Liberia.

Presently, we worship in one of our Christian day school classrooms. But we are praying that the Lord would bless us with the ability to build our own building for worship. God bless you as you pray for the ministry here!
