

REV. SAMUEL KOFI APPIAH & FAMILY

Ministry & Blessings: We praise God for the progress on what our Lord has called us to do for Him. We praise Him for the many souls saved this year in our ministries and those baptized to join the church. I made many trips to Bolgatanga, which is in the Upper East of Ghana, to assist our missionary Pastor Peter Addai in the work. I am thankful to God for the opportunity to share Christ

among Islamic people and the privilege to baptize thirty people including men and women. Some aging between seventy and eighty years who had lived their entire lives without Christ.

Now that Pastor Sarfo Adu has joined the Techiman team, the work at

VESTER, TINA, LOIS, SAMUEL & MICHELLE

Forikrom has been put to his care. This has enabled me to help oversee many other needy ministries of the church. We praise God for what the Lord is doing both in Forikrom and Boankron. Through the Spirit of Caleb ministry we saw the work in Burkina Faso started. What a joy it was to be part of the team that went there this year to help start this new work which was born out of the

Calvary Baptist Church- Techiman.

In October this year we were ejected from our residence because our Landlady had taken a bigger sum of money as an advance payment on the house from a Bank in Techiman. She wanted a huge amount that she felt we would not be able to afford. Now we are almost at the point where we could move into our own house.

We serve a Great God!

BUILDING PERMIT & BLUE PRINTS FOR OUR NEW BUILDING

This year we received a wonderful gift that will enable us put up a bigger church building to seat at least a thousand people. I had to work very hard to overcome all the red tape in order to secure the above building permit.

Plans for the New Year: Our hope and prayer for this coming year is to greatly assist in all manners to help build the people of Calvary Baptist Church, Techiman into our new building. This is very exciting because God is using our little church as a spring board not only to reach Ghana but the North African Countries for Christ. We believe that to have a church building which could seat so many people will also demand a great commitment to witnessing,

baptizing, discipleship, fellowship, etc. It has always been a blessing to teach in the English Bible School. I also hope to play and import role in the founding of the vernacular Bible School, to train those called into the ministry who do not speak English.

Prayer Needs: Please, pray with us concerning my wife's health. We really need to go back to check up with the Neuro Surgeon at Kumasi as to the next step to take; whether she may need the second surgery to replace the vertebrae that was taken out of her back or not. Secondly, we also covet your prayer support on our housing debt and to bring it to completion. Thank you for both your faithful prayer and financial support.

Your Servant – *Pastor Samuel Appiah*

WE THANK GOD FOR OUR HUMBLE HOME
