

BETHESDA CHILDREN'S HOME MINISTRY

KROBO HOME

Dear Friends, We rejoice that the Lord has added two new orphans to our home, Hannah Yaa Pokua and Evans Owusu. So now we have a total of seven children in Krobo, three in Techiman and three in Ivory Coast. The sad news is that the government took Jean Timothy, (the abandoned bitten child), away from us.

This year both Evans and Frimpomaa have been baptized and added to our local church. Prince and Evans are now in the 8th grade and Prince placed first in his class. Frimpomaa is in 7th grade, Hannah and Kwaku Owusu are in 3rd grade and Ebenezer and Stephen are in the 2nd grade. All of the Ghana orphans attend our Christian day school in Krobo and are doing well both spiritually, physically and academically.

Prince and Evans have surrendered to the Lord's call to the ministry and they have started teaching in the children Sunday school classes in Krobo. My heart is always filled with joy to see the children memorizing and reciting Bible verses. With joy we can also report that, as of right now, all of our children in have confessed Christ as their personal Savior.

Please pray with us as we deal with problems with the social workers here in Techiman. There are many needy children but we have not been able to complete their adoptions. Thank you for your faithful support to the Bethesda children's home in Africa.
