PASTOR ATTA, AFIA, CHARITY, ISAAC, & STEVE

This year we have seen the Lord work in wonderful ways with many people professing Christ as their personal Savior remaining faithful in their worship, and obedient in

baptism. This year God allowed us to baptize 48 people and now they are growing spiritually in Christian walk and fellowship in the body, so that we are now averaging around 180 each Sunday morning.

This Easter our church members worked hard at inviting the people from the surrounding villages and the Lord blessed us with a total of 450 people, and 14 adults praying to receive Christ as Savior.

Please continue to pray with us as we look forward to building a children's ministry building on our church property. We again thank you for your prayer support and financial help that we have received during this past year.

God Bless, Pastor Atta Christopher Takyi

The Church in Oforikrom, which also reaches into Boankron is our youngest church plant in the Techiman area. This year God gave us a full time missionary pastor to lead this young church, Pastor Stephen Sarfo Adu. By God's grace they are seeing souls saved and having regular baptisms.

Currently they are meeting in a public school building where other noisy churches are also using the nearby class rooms. Due to this we have asked God for land to build. This year we were able to buy two building plots, right on the main road, for just under \$600. Now we long to build the church!
