

Upon graduating from the Baptist Bible Institute, I was called by the New Life Baptist Church in the Central Region of Ghana, to serve as an associate pastor to my Dad, Rev. John Abedu-Kennedy. In the six years period that we labored together there, we saw many blessing on the family and ministries. Many soul were saved, three churches were planted and had the joy of a wonderful team work of pastors in the ministry. This past year was a year of great challenge and blessing. In the month of March, I was commissioned to

Accra to oversee the New Church plant in Accra. The Crossroads Baptist Church.

We thank God for the wonderful way He's working in this new church. We have an attendance of about 50 people on Sundays. Over the year many have accepted Christ as Saviour during visitation, and 12 people have been baptized into the new church. At least we have three students from the University of Ghana to attend service every Sunday. The church is very close to the University. Continue to pray for the spiritual growth of our church.

Last month, we celebrated our First-year anniversary which coincided with our annual Faith Promise Conference. We invited three missionaries as speakers, Rev. Steve Volente, Rev. Miguel Triano and Pastor Joe Gueh. The conference was climax with a great service of all our sister churches in the Central Region. (Apam and Mumfrod).

We praise God for the great results of the conference, as many souls were led to Christ and baptized from all the three church. Some committed to go into the ministry and many more

committed themselves to support missions.

Praise the Lord for my acceptance as associate missionary of Mount Abarim Baptist Mission Int. this year to assist with the many responsibilities of my Dad as Business Coordinator of the mission in Ghana.

PERSONAL REQUEST:

We need to raise additional monthly support to meet the needs of family and ministry.

We also need your prayers for a stronger car for city and village ministries, as the one we have is old and often gave us problems.

MINISTRY REQUEST:

Pray for God's provision for a land for the church building.

We need your prayers for funds to complete the work on the Bible school and mission guest house in Mumford and for funds to complete the church building for the Mumford church.
Pray for more workers for our Masters' work.

Thank you and God bless

Josiah & Mary Abedu-Kennedy
