Vision Alive!

We are plodding on with our dream of evangelizing the C/R of Ghana and beyond. All of our Church plants are growing spiritually and numerically. We praise God for Josiah who is in full time service, pastoring the one year old Crossroads Baptist Church in Accra. He is assisting with some of my responsibilities with our Mission Agency as Business Coordinator and other ministries in Accra as ROGMA Director, AFBC Vice President. I am gradually and prayerfully introducing him to knowing Government ministries and institutions that our ministries work with. That has enabled me to be

More available for Church planting missionary team leader as we reach the unreached in the Central Region and some other parts of Ghana for Christ. We are now left with two of our kids at home schooling. Deborah in 2nd year College and Joshua in 1st year college, all in Cape Coast in the Central Region. We also praise God for my nephew Joe Arhin in 3rd year Bible College who is now my assistant in Apam while Josiah is in Accra.

Pastoral Team

Teamwork is Creative. (Prov. 27:17) Apam is a District Capital town with over 110 small and big towns around it. There is the need for Church plants in several of the towns. Some are closer and others far apart. How can we reach out to them: (Rom. 10:14-15). We need to train the called men in the Bible Institute to go.

LAND FOR CHURCH BUILDING IN MUMFORD

Men at work. We keep clearing and becomes weedy in no time. By His grace we have managed to pay for it. We have finished with papers with the traditional rulers. The land is now ours for the Mumford Church, trying to register it with the government. We thank God for the pastor-in-charge, Isaac Ebo Otwey for his leadership role and team playing spirit.

LAND BEING CLEARED FOR BUILDING

VACATION BIBLE SCHOOL VBS has been a unique Ministry helping our Church plants and the communities. This year, we were blessed with a team of eight (two men and six women) from one of our supporting Churches (First Baptist Church of Oxford, MI.) led by Deacon Dan and Mrs. Anita Wells to assist us do this unique ministry (July 30 August 28). We are praising God for results and challenges for following up.

PERSONAL REQUEST:

1. Pray for our health care to serve God more and better for the rest of our time on earth.
2. Our Ministry Van over 10 years is now very weak. It goes to the fitters almost every other day. Pray with us for a good one to serve Him.

1. God's provision to enable us complete the work on the Bible school and Mission Guest House to start Bible Institute next year. About \$20,000.00 needed.
2. God's provision to start Church building in Mumford. Also for Missions work team to come to assist.
