

CALVARY BAPTIST INTERNATIONAL SCHOOL

Over the years the Calvary Baptist International School continues to strive towards the goal for which it was established, **“Reaching children with the gospel of Jesus Christ and preparing them to serve Him”**.

To God be the glory, the school for this year is populated with over 300 students. By the grace of God 87 students came to receive Jesus Christ as Lord and Personal Savior through this year. Out of this 87 children, 33 received Christ during the chapel messages and 54 during the annual camp meeting.

Prayer Request 1. Pray with us for some those who are serving the lord during our chapel time to surrender to full time ministry.

2. This academic year, we will present our first batch of students to sit for the National exams in order to qualify for entrance to high school.
3. The Government new Educational Reforms compel all schools to introduce computer literacy in its curriculum; hence the urgent need for a computer laboratory is pertinent to our smooth operation.

For Eternity,
Pastor Joseph Gueh,
The School Chaplain
