

PASTOR & MRS. JOHN ABEDU-KENNEDY - APAM, CENTRAL REGION

John, Joshua & Dorcas

After serving the Lord for seventeen years in Liberia from 1975, He led us back to our home country Ghana in 1990. We served in Christiansborg Baptist Church in Accra, the capital city, for ten years and then by faith went into missions in the year 2000 with MABMI, reaching the unreached in the Central Region through Evangelism, Church Planting, Bible Institute, Circular Education, Health care, and Love.

By His grace, the ministries are going on well. Souls are being saved, and the saved are growing in grace and in the knowledge of our Lord and Savior Jesus Christ. There is an adage which says "Before you learn to care, you must care to learn". Indeed, we are learning much as our ministries grow, and we are thankful to the Lord for that.

IMMEDIATE MINISTRY GOALS:

Our Bible Institute is in the 2nd year. We have realized that training men to be sound in the Word for church planting is the key to effective church planting ministry.

ONE PRESSING PROJECT NEED:

God's provision to complete the work on our Bible Institute and Missionary Guest House building in Mumford /Apam.

Bible School / Guest House (80% complete)

FUTURE GOALS /PLAN:

Strengthening and upgrading of our regional Bible Institute. Due to the rampant spread of charismatism and prosperity gospel preaching nationwide, we are earnestly praying for men to listen to the Lord's call to be trained for our church plants.

To God be the Glory! *Rev John Abedu-Kennedy*
